APPLICANT SUPPLY FILE (ASF)

All NAF positions within the 20th Force Support Squadron are continuously open. This means that any person can apply for any position, even if there is no vacancy. The Human Resources Office maintains a list of these positions and accepts applications from all applicants, and maintains these applications in the ASF. When a vacancy arises, applications from the ASF are referred to the appropriate activity for consideration.

Those applicants who are not NAF employees submit OF 612 and OF 306 while current employees wishing to apply for a different position, whether within the same activity or not, must submit an AF FORM 2550, NAF Application for Promotion or Other Position Change. This form is a streamlined application, only one double-sided sheet.

IMPORTANT NOTE

A background check is required on all positions applied for. A Consent to Release Records form will be signed by the appointee and checks will be completed by Security Forces before hire.
